Lockdown letter no 8

Dear Parents and Guardians

1. Please find attached our pared-back afternoon activity timetables, which come into effect on Wednesday 10 March for high school girls, and on Thursday 11 March for high school boys. For primary school, activities begin on Monday 15 March for boys and on Tuesday 16 March for girls.
2. You will notice that the afternoon activity timetables emphasise academic revision, because there is an urgent need to help some learners to catch up on work missed last year. The cultural activities on offer are ones where we can ensure safe social distancing. These timetables will also hold for Term 2, until further notice.
3. Learners will be informed if they need to attend extra lessons in the afternoon. These lessons are then compulsory for these selected learners.
4. In some cases, the extra lessons are compulsory for the whole class. This will also be clearly communicated to the learners.
5. We congratulate two more Grade 7 learners on their appointment as Leaders: Adivaho Manyatshe and Tebogo Laka. Well done!
6. Please ensure that your children arrive at school on time in the morning. Much valuable teaching time is lost if learners miss part of their lessons.
7. Please phone the school before 9:00 am if your child is absent. This allows us time to process the implications of the absence.
8. Please note that teachers have been instructed not to divulge their contact details to parents or learners. Kindly email the school if you have any queries and we will direct your enquiry to the relevant staff member.
