Dear Parents and Guardians

1. Hostel news

We congratulate Mr Phothwana on his appointment as Acting Hostel Manager, and Miss Somo on her appointment as Acting Deputy Hostel Manager.

2. Staffing News

- We are pleased to announce that due to a good number of registrations for the Grade R group, we need to open a new class for Grade R. We will be dividing our Grade R class into two classes soon, and we will appoint a second Grade R teacher.
- We are currently in the process of streamlining class sizes across both schools. As part of this process, Ms Nyathi from Primary School will be moving to the High School as a Grade 8 English teacher. Miss Diphoko's help as a substitute teacher in this position is greatly appreciated. In addition, our Grade 4 and Grade 5 classes will be consolidated into two classes for each grade and there will be a slight change of subject teachers for each grade.
- We plan to make this transition as smooth as possible for all students involved. We kindly ask for your support in helping your child embrace these changes by offering encouragement and reassurance. Please be assured that we will continue to maintain the highest standards of teaching and learning in all our classes.

Should you have any queries, please do not hesitate to contact us.

3. Further 2025 Matric Results Updates

We are grateful to have been placed well in the Tshwane South District subject positions: -
1st in Isizulu FAL, 2nd in Sepedi HL, 3rd in Sepedi FAL and History. Oratile Baloyi came second in English Home Language! We were also placed high in most other subjects. Well done to students and teachers alike!

4. Contract Alert

Page 17, point 4 of the school's 2026 Procedures document states that parents/legal guardians are bound by contract and have the responsibility under all circumstances to:

“Verify information received from the learner before responding. Learners will often give a false or distorted report of an incident at the school, especially if they have been given disciplinary consequences. They will blame the educator, school or others, usually to protect themselves. They also contact the parent during school hours with an imagined emergency. In all such cases the parent/guardian must contact the school and ask what happened. Always report what the learner said, without assuming it is true. The school will investigate and follow up with the parent/guardian. The parent/guardian must not go to the school without contacting the school first, as described above.

If the parent/guardian makes unfounded judgements and accusations or attacks the school in any way whatsoever, it will cause significant damage to the relationship with the school. In such cases the school may declare a breach of contract and/or take legal action and/or choose not to enter into further contracts in future years. There will also be disciplinary consequences for the learner if they are found to have given false or misleading information to a parent/guardian.

If the parent/guardian wishes to restore the relationship with the school, a written apology and retraction will be required, together with a commitment to keep to the contract and the school's procedures. This does not guarantee that the relationship will be restored, but it is the minimum requirement for the school to determine the conditions for the future of the relationship."

We take a dim view of clients who make unsubstantiated accusations against staff, based on their children's sometimes one-sided and self-protective account of a situation. Kindly avoid defamatory statements which could be actionable. Rather ask for the school's version before becoming emotional and making dangerous accusations, please.

5. High School Camp

We wish the Grade 8 – 12 campers a safe, wonder-filled and happy camp this weekend of 13 -15 February 2026. High School will close at 12:20 pm on Monday 16 February, and there will be no High School extra-murals that afternoon. This is to enable staff and campers to recover from an active weekend.
